[Portfolio](#) - [Github](#) - [LinkedIn](#)

A highly enthusiastic and dedicated Fullstack Developer with 3 years of experience in JavaScript, Python, React, and Node.js. Proficient in building responsive, secure, and scalable web applications. Experienced in collaborating with cross-functional teams in agile environments to deliver high-quality software solutions. Known for quick learning, problem-solving skills, and a commitment to writing clean, maintainable code. Eager to contribute my technical expertise and grow within a dynamic team.

KEY SKILLS AND COMPETENCIES

- **Full-Stack Development:** Expertise in **JavaScript**, **Python**, **ReactJS**, **Node.js**, **PostgreSQL**, and RESTful API development.
- **Frontend Development:** Skilled in creating responsive web interfaces with **React**, **HTML**, **CSS**, and frameworks like **TailwindCSS** and **Bootstrap**.
- **Backend Development:** Experience building **REST APIs**, database management (PostgreSQL), and backend systems.
- **Problem-Solving & Debugging:** Strong analytical skills in troubleshooting both frontend and backend issues.
- **Version Control:** Experienced in using **Git**, **GitHub**, and **GitHub Project Board** for collaboration and project management.
- **Data Analysis:** Proficient in **Python** data analysis using **Pandas** and **NumPy**, with a focus on data cleaning, transformation, and visualization.
- **UX/UI Design:** Knowledge of responsive design and user-centric design principles, with experience in **UX Design** and **web design tools**.

EXPERIENCE

Full-stack Developer Internship

Code Your Future – April 2023 - May 2023

London, United Kingdom

- Contributed to the development of a trainee milestone tracking web application using JavaScript, Node.js, React, and PostgreSQL.
- Developed RESTful APIs and integrated them with the frontend, ensuring smooth data handling, security, and usability.
- Gained hands-on experience in agile development, DevOps, and cloud deployments.

Receptionist

Fraser Suites Queens Gate — February 2025 – Present

London, United Kingdom

- Provide excellent customer service while managing technical issues and system usage.
- Perform administrative tasks and maintain accurate records using various software systems.
- Manage reservations and ensure smooth operations, demonstrating strong problem-solving skills in a fast-paced environment.

Frontend Developer

TV Shows – November 2024 - Present

London, United Kingdom

- Developed a fully responsive website showcasing over 300 TV shows using React, TailwindCSS, and API integrations.
- Optimised frontend performance and resolved issues related to UI/UX, ensuring a seamless user experience across devices.

Data Analysis with Python

FreeCodeCamp (March 2025 – Present)

London, United Kingdom

- Learning to analyze and interpret large datasets using Python libraries like Pandas and NumPy.
- Developing skills in data cleaning, transformation, and visualization techniques.
- Completing hands-on projects to solve data-related problems and automate data workflows.

Frontend Developer

Game Play – Dec 2023 - Feb 2024

London, United Kingdom

- Built and deployed a fully responsive gaming website, improving site load times by 40% through efficient use of React Hooks, JavaScript, and CSS frameworks like Chakra and Bootstrap.
- Troubleshooted frontend performance issues and implemented best practices to enhance user satisfaction and web functionality.

SOFT SKILLS

- Problem solving
- Collaboration
- Time management
- Adaptability and flexibility
- Analytical skills
- Accountability

EDUCATION & CERTIFICATIONS

- **UX Design** - Capital City College, London, United Kingdom. February 2025 - March 2025
- **AWS** - Code Your Future, London, United Kingdom. May 2024 - July 2024
- **Full-stack Developer** - Code Your Future, London, United Kingdom. October 2021 - May 2023
Completed intensive training in software development, including frontend (React, JavaScript, HTML, CSS) and backend technologies (Node.js, PostgreSQL).
- **Responsive Web Design** - Free Code Camp, Online Bootcamp. January 2021 - March 2021
