🐙 https://github.com/Alamin-eng 💼 https://www.linkedin.com/in/mohammad-a-846376220/

A full-stack engineer graduate is available for an immediate start. Project experience gained in collaboration with professional developers and within teams. I am an effective collaborator, a problem solver, and a quick learner. Deeply committed to writing clean, efficient, and maintainable code. I am an enthusiastic programmer with experience working as a shift manager in other areas like retail, where I lead teams.

SKILLS

Javascript | React | Node.js | PostgreSQL | HTML | CSS | Bootstrap

Wordpress | UI Design | TDD | Github | Agile development | Docker

Adobe illustrator | Tailwind CSS | Linux | Cloud computing | AWS (currently learning)

EXPERIENCE

03/2024 – present
